

DISCOUNTED COPIES OF HOLISTIC MIDWIFERY, VOL. II

In the production process, the pages of some books were trimmed so that the bottom margin is a quarter inch short and the top margin is a quarter inch too deep. Otherwise, the books should be in perfect condition (please review your copy carefully upon receipt to be sure). This cosmetic irregularity appeared in 368 copies. These copies will be available for \$125.00 plus shipping and handling until they are gone and are selling fast, so get your order in now to avoid disappointment.
