BOOKS/VIDEOS ONLY: TO FIGURE POSTAGE & HANDLING FOR U.S. DELIVERY: Multiply the number in each weight column by the number of items you are ordering and add the total. A SHIPPING TABLE follows this page. Figure your cost for media mail (book rate) and write the total in the far right hand box. Your order will take about 7 to 14 business days to arrive. If you want it more quickly, circle UPS GRD and we will call with the total. For other types of shipping, please call.					
CHECK THE BOX TO THE RIGHT IF YOU WANT US TO FIGURE YOUR SHIPPING CHARGES AND LET YOU KNOW WHAT THEY ARE. S&H will then be added to your total.					
TOTAL ENCLOSED					

OVERSEAS & CANADIAN SHIPPING: Figuring postage for your order is very complicated, so I will figure it. The only postal option for international postal delivery is AIRMAIL: international parcel surface mail has been discontinued. I will let you know the total.

TO SHIP MEDIA MAIL: You need two numbers to figure total S&H charges: the shipping charge and the handling charge. Read this sheet carefully: if mistakes are made your total will be corrected and you will be notified of the new amount. I suggest you jot down your figures on a separate sheet of paper, however you may print out this form. You need not return this form with your order. . If you want something sent faster, UPS ground is usually the best deal. Let me know and I will figure the costs. If your order exceeds 20 pounds, just fill you're your order form and I will figure the shipping, it may be cheaper to send a large order via UPS ground. I will let you know.

Figure postage and handling charges as follows: on the order form, add up the weights of each the book or DVD you are ordering. To the TOTAL weight ADD 1 pound to cover the weight of packaging. All shipping services round up partial weights to the next highest pound (for example, a total weight of 5.5 pounds becomes 6; 6.5 pds becomes 7). Then add that total shipping charge to the handling charge (see below).

TOTAL WEIGHT FROM ORDER FORM of BOOKS AND DVDs = _____

ADD ONE POUND TO COVER WEIGHT OF PACKAGING = _____ 1

TOTAL WEIGHT OF ORDER = _____

ROUND UP PARTIAL POUNDS TO NEXT WHOLE POUND

TOTAL WEIGHT	COST OF POSTAGE
2 to 3 pounds	\$3.00
4 pounds	\$3.50
5 to 6 pounds	\$4.00
7 to 8 pounds	\$4.75
9 to 10 pounds	\$5.50
11 to 12 pounds	\$6.25
13 to 14 pounds	\$6.85
15 to 16 pounds	\$7.50
17 to 18 pounds	\$8.25
19 to 20 pounds	\$9.00

TOTAL COST OF POSTAGE (From table above) = \$ _____

NOW figure your HANDLING charges (these are the same regardless of the type of shipping):

For the first book or DVD add: \$3.35 +

ADD another .35 for each ADDITIONAL book or DVD: $0.35 \times \underline{\hspace{1cm}} = \underline{\hspace{1cm}} +$

ADD your TOTAL COST OF POSTAGE (from table above) = _____ +

ADD THIS TOTAL to your order for POSTAGE & HANDLING CHARGES = _____
