Formal Validation Processes for Midwives in the United States.....	14
MANA: The Midwives Alliance of North America.....	16
The MANA Statement of Values and Ethics.....	18
MANA Core-Competencies for Midwifery Practice.....	25
PRACTICE MAKES PERFECT.....	33
Setting Up a Practice.....	34
Healing Modalities.....	42
How to Gather and Tabulate Statistics.....	52
Legal Issues.....	55
With Whom Will You Work?.....	56
The Midwifery Community.....	57
BASIC ANATOMY AND PHYSIOLOGY.....	61
Anatomy and Physiology for Midwives.....	62
Very Basic Chemistry.....	66
The Structure of Cells.....	73
The Tissues.....	78
The Organ Systems of the Body: An Overview.....	84
The Integumentary System.....	86
The Skeletal System.....	88
The Muscular System.....	97
The Nervous System.....	100
The Endocrine System.....	112
The Cardiovascular System.....	117
The Lymphatic System.....	124
The Respiratory System.....	126
The Digestive System.....	129
The Urinary System.....	135
The Female Sexual and Reproductive System.....	137
Anomalies of the Female Reproductive Tract.....	158
The Male Sexual and Reproductive System.....	161
How Pregnancy Impacts Maternal Anatomy and Physiology.....	166
References and Further Reading.....	177

SUSTAINING MATERNAL AND FETAL WELL-BEING.....	179
Individualizing Your Care.	180
Maternal Nutrition and Healthy Babies.	182
Basic Nutrition.	184
Dietary Counseling for Pregnancy: Helping Women Get the Foods They Need.	204
Helping Women Cope with Food Cravings.	219
Vitamin and Mineral Supplements During Pregnancy.....	221
Food Additives.	224
Food Preparation.....	225
Food Allergies.....	226
Understanding Ethnic Diets.	229
Exercise Before and During Pregnancy.	233
Tobacco Smoking.	235
Caffeine and Pregnancy.	241
Alcohol and Pregnancy.....	243
Public Water Supplies.....	246
Fluoride.....	249
Over-the-Counter Drugs and Pregnancy.....	251
Recreational Drugs.	253
Prescription Bio-technical Drugs.	255
Toxic Environmental Exposures and Reproductive Risk.....	258
Hyperthermia.....	261
Psychological Health in Pregnancy.	262
Understanding Physical and Sexual Abuse Issues.....	264
 BASIC MIDWIFERY SKILLS.....	 281
Using Knowledge and Intuition.	282
Equipment to Have On Hand for Prenatal Exams.	284
Calculating the Correct Due Date.....	294
Medical Terminology Relevant to Pregnancy History.....	299
Fetal Heart Rate Assessment.....	303
Listening to the Fetal Heart.....	306
Discussing How the Baby is Situated in the Uterus.....	309
The Fine Art of Palpation.	315
Measuring the Fundal Height and Girth of the Uterus.....	327
Assessing the Size of the Fetus.....	331
Overall Assessment of Fetal Size and Growth.....	333
Pelvimetry.	338
The Physical Examination of the Woman.....	356
Charting and Record Keeping.....	393
Assessing Blood Loss.....	396
When Client/Midwife Relationships are Difficult.	398
 INITIATING CONTACT AND ESTABLISHING CARE.	 399
First Contacts.....	400

Preconception Counseling and Care.....	407
The Consultation Visit.	410
Dealing With Money.....	415
Statement of Informed Disclosure (Informed Choice Agreement).	424
The Initial Visit.	450
Prenatal Concerns Regarding Breastfeeding.	476
Helping Women Deal With Their Work Environment.....	479
Cultural and Religious Preferences.....	482
Unique Birthing Practices and Philosophies.	511
AN OVERVIEW OF PRENATAL CARE.	521
Prenatal Visits.	522
Childbirth Education.....	528
Books and Handouts to Use During Prenatal Care.....	534
Using Technological Diagnostic Techniques.....	538
Maintaining Continuity of Care.	540
PRENATAL CARE: The First Trimester.	541
Prenatal Care During Weeks 1 through 12.....	542
Conception and Growth of the Baby and Placenta During the First 12 Weeks (Frist 10 weeks of gestation).....	546
The Psychology of Early Pregnancy.....	563
Early Signs of Pregnancy.	565
Ordering Baseline Laboratory Tests.....	568
TROUBLESHOOTING FIRST TRIMESTER PROBLEMS.....	575
Nausea and Vomiting of Early Pregnancy.	577
Miscarriage in the First Trimester.	581
The Self-induced or Poorly Performed Abortion.....	596
Ectopic Pregnancy.	597
Hydatidiform or Vesicular Mole.	603
PRENATAL CARE: THE SECOND TRIMESTER.	607
What Happens When: Weeks 13 through 24.	608
Signs of Mid-Pregnancy.	612
Fetal and Placental Development in the Second Trimester.	613
Psychology of Mid-Pregnancy.	617
Laboratory Tests in the Second Trimester.	619
Who Should be at the Birth?.....	620
PROBLEMS THAT CAN OCCUR IN THE SECOND TRIMESTER. . .	622
Nausea and Vomiting.	623
Second Trimester Miscarriage.	624
False Pregnancy.	629
Abdominal Pregnancy.....	631

THE THIRD TRIMESTER: the 25th Week Until Birth.....	635
What Happens When:	
Prenatal Care from the 25th week until Birth.	636
The Homevisit.....	642
Honoring Pregnancy and Birth as a Rite of Passage.	646
Fetal Development in the Third Trimester.....	647
The Psychology of the Third Trimester.	648
Ensuring A Vertex Presentation at Term.	650
Anticipating a Breech Birth.	658
The Onset of Normal Labor at Term.....	664
PROBLEMS ASSOCIATED WITH THE THIRD TRIMESTER.....	667
Nausea and Vomiting in the Third Trimester.....	668
Pendulous Abdomen.....	669
Rupture of Membranes Before the Onset of Labor.	671
Premature Labor.	679
Bleeding in the Third Trimester.....	683
When the Baby Dies Before Birth.	689
Uterine Rupture and Scar Dehiscence in The Third Trimester.	692
Postdatism and Postmaturity Syndrome.....	696
SPECIAL CIRCUMSTANCES.	701
Caring for Women of Size.	702
Multiple Gestation.....	704
Vaginal Birth After Cesarean (VBAC).....	715
Previous Uterine Surgeries.	722
Working with Women Who Have Had Difficult Vaginal Births.....	726
Working with Women Who Have a History of Infertility.	727
Independent Fertilization.	728
Third Baby Syndrome.....	730
Teen Pregnancy.....	731
Pregnancy and Fatherhood After 35.....	733
Lesbian Couples.	735
Prenatal Care of Rh- Mothers.....	737
PROBLEMS THAT CAN OCCUR AT ANY TIME.....	738
Abdominal Pain.....	739
Anemia.	745
Bowel and Digestive Difficulties: Constipation, Diarrhea and Gas.....	746
Bruising Easily.	749
Chest Pain.	750
Colds, Flus and Pneumonia.....	751
Dental and Gum Problems.	752
Dizziness.....	754
Edema.	755

Fatigue.....	757
Fainting.....	758
Fibroids.....	760
Foot Problems.....	763
Gestational Diabetes.....	764
Headaches.....	765
Hearing Loss or Impairment.....	767
Heartburn.....	769
Hypertension in Pregnancy.....	770
Injuries During Pregnancy.....	780
Insomnia.....	785
Jaundice.....	786
Muscular Aches and Pains.....	787
Nerve Pain and Pressure Symptoms.....	789
Nosebleeds and Nasal Congestion.....	791
Pelvic Pain.....	792
Pigment, Skin and Hair Changes.....	793
Torsion of the Pregnant Uterus.....	796
Sacculation of the Uterus.....	797
Salivation.....	799
Seizures.....	800
Toxemia.....	801
Urine Test Results.....	808
Urinary Tract Infections.....	811
Vaginal Discharge.....	812
Varicose Veins and Other Blood Vessel Problems.....	813
Visual Disturbances.....	815
MEDICAL CONDITIONS WHICH MAY PREEEXIST PREGNANCY.....	817
Preexisting Medical Conditions and Midwifery Care.....	818
Metabolic and Glandular Disorders.....	830
Adrenal Diseases.....	830
Hypothalamic-pituitary disturbances.....	833
Thyroid Disease.....	833
Parathyroid Disease.....	834
Pancreatic Disorders.....	835
Diabetes Mellitus.....	835
Respiratory Disorders.....	838
Asthma.....	838
Cystic Fibrosis.....	839
α_1 -Antitrypsin Globulin Deficiency.....	839
Bronchiectasis.....	840
Extrinsic Restrictive Lung Disorders.....	840
Pulmonary Embolic Disease.....	840
Sarcoidosis.....	840
Gastrointestinal Disorders.....	842

Ileostomy, Ileoproctostomy, Colostomy.....	842
Esophageal problems.	842
Stomach disorders.....	842
Stomach ulcers.	842
Coeliac disease.	843
Hiatus hernia.....	843
Small intestine disorders.....	843
Colon disorders.....	843
Gastric and colon cancers.....	844
Liver transplantation.....	844
Liver tumors (Hepatic adenomas).	844
Budd-Chiari syndrome.	844
Cirrhosis.	845
Primary biliary cirrhosis.	845
Dubin-Johnson syndrome.....	845
Hepatitis.	845
Wilson's disease.	846
Oral Contraceptives and liver lesions.....	846
Reproductive Organ Disorders.	847
Skin and Connective Tissue Disorders.....	851
Dermatitis Herpetiformis.	851
Erythema nosodum.	851
Ichthyoses.	851
Mixed Connective Tissue Disease.....	851
Pemphigus Erythematosus.	851
Pemphigus Vulgaris.	851
Periarteritis nosoda (PAN).	852
Polymyositis.	852
Heart and Circulatory Disorders.....	853
